From Our President

Happy April - Spring has sprung! And Happy April Fool's Day!

This month we are participating in the 2024 Brain Fair at FSU on April 13th from 1-4 p.m. and will be fitting helmets. This year's Brain Fair, held in the FSU Psychology Building Atrium and hosted by the Neuroscience Graduate Student Association, will allow kids to think about how we sense the world around us, what controls our fight or flight responses, and so much more through hands-on activities for children of all ages. We have a couple of upcoming BrainMinders presentations scheduled as well as BrainO games to be played, so please reach out to Claire if you can help. District Convention is the last weekend of this month in Lake Mary. Don't forget there will be a solar eclipse on April 8th which just happens to be the date of our next meeting. Hope to see you then!

April is the sweetest month of the year, the mellow season of rebirth and renewal.

In Pilot Friendship,

Annette

Pilot International Founders Fund

In case you didn't see it in the minutes or weren't at the meeting, we did receive a matching grant from the Pilot International Founders Fund (PIFF). With the money we received we purchased sensory room items for Fort Braden School, delivered by Charlotte and Claire and the Gretchen Everhart School delivered by Jane and Claire. Here's a couple pictures.
