Hello everyone,

I am so excited to be joining the team at Pilot HQ as the Youth Development Specialist! I know I'll meet lots of new friends over the next few months, especially when I attend our upcoming Conference in Denver.

My background is in youth development, and I spent several years in high school and college working with Georgia 4-H and being a summer school teacher for LEAP Youth Development program. I grew up in Effingham County, Georgia and moved to Macon when I got accepted into Mercer University back in 2018. After my college journey, I was hired by 13WMAZ News where I worked for a few years before landing at Pilot.

A little bit about myself:

I love making crafts and painting, I am very artistic and love getting hands-on experience with service projects and anything crafty. I also really like movies

and TV shows, and even minored in film when I attended Mercer. If you ever want to talk about pop culture, I'm your gal!

Some of my hobbies include thrift shopping, going to Atlanta Braves baseball games, reading, and grabbing coffee at local cafe's while I write on my blog. You can find me by the pool or walking in a local park on sunny days.

I am so honored to be a part of Pilot and I cannot wait to see what great things our members do in the upcoming year. Now that you've heard a bit about me, I've got lots of learning to do about all of you! My inbox is always open, and I hope to go above and beyond in steering our ship to success.

Warm regards,

Mallory Morgan

**THANK YOU
FOR VOLUNTEERING**

"Everybody can be great. Because anybody can serve. You don't have to have a college degree to serve. You don't have to make your subject and your verb agree to serve. You don't have to know the second theory of thermodynamics in physics to serve. You only need a heart full of grace. A soul generated by love."

REMINDERS FROM GAIL HILL, DISTRICT PIFF

As July approaches and we begin the 2024-2025 Pilot year, it is time to begin making plans for the new year. Some of our clubs may have already completed their 2024-2025 Plans of Work and Budget, some may be working on those now or in the near future. If you have not already done so, please consider adding the Pilot International Ambassador's Contribution (due by September 30th), the \$250 Contribution for Goals for Grants and Scholarships (due by February 1), and maybe, the Pacesetters Contribution (due by February 1) to your Plans of Work and Budget.

If your club has a project they are considering, please think about applying for a Pilot International Matching Grant, which is due by October 15th or a Pick-Me-Up Grant, which is due quarterly, June 15th, September 15th, December 15th, and March 15th.

Club News

On June 10th, we closed out our 2023-2024 Pilot year by thanking President Annette for a great year. We also installed our 2024-2025 Club Officers: Mallory, President; Jane, Director; Charlotte, Treasurer; Claire, Secretary and Annette, President Elect. And best news, our whole club was together!
