Pilot International

On October 16, 1921 the forty Charter Members of Pilot International came together to sign the original Pilot Charter. Two days later, buoyed by their excitement and their collective cause, they gathered again to dine, celebrate and conduct the first official Pilot Club meeting on October 18, 1921.

From that day on, Pilots around the world gather together to meet, celebrate and honor this historic day, October 18, as Founders Day, the birthday of a grand idea, the day of our noble club's founding.

On this day, we celebrate Pilot International. We honor the history and tradition of our storied organization, and we celebrate the gifts that we – as today's Pilots – are able to bestow through our strength, through our friendship and through our service.

LaVerne Weddle Pilot Scholarship House

We purchased and delivered breakfast foods to and for the residents of the Scholarship House. Having some food in the house when they arrive saves them from having to go out shopping immediately.
