From Our President

Hello Pilots:

February is here meaning that we only have 5 more months left in this Pilot year! But what a busy time it is going to be! We get to start off by dedicating our 5th Pilot Scholarship House on February 10th. It is true what they say, "It takes a Village", and the Florida District Pilots did what was requested and needed to help make it a reality.

It is time for us as a club to look forward to and start planning for our next Pilot year. Start thinking about what club position(s) you would like to volunteer for, otherwise the nominating committee will be looking for you! Reminder that time is running out - this is the time to check out the open positions in the District and PSHF. Emails have been sent out with instructions and February is the deadline for submitting applications. District Convention is just 2 months away, so now is the time to start making plans if you want to attend. And best of all, we get to meet on February 12th for our club business meeting.

The key to our success rests in people like you who embody the spirit of greatness by saying, "Yes I can!"

In Pilot Friendship,

Annette

Volunteering is more than a mere act of charity. It's a journey, one that enriches the volunteer, strengthens communities and resonates with positive ripples throughout society. As the intricate web of motivations unravels, it becomes evident that the choice to volunteer stems from a blend of personal, societal and psychological factors. As we celebrate and support this selfless endeavor, we also pave the way for a more cohesive, harmonious and prosperous society.

Pilot International Founders Fund

The Pilot International Founders Fund was established to support the community-based work of Pilot Clubs by helping to underwrite Club efforts to serve in the areas of Advocating Leadership and Service in Youth and Young Adults, Encouraging Brain Safety & Health and Caring and Supporting Those in Need. Through the Pilot International Founders Fund, Pilot International and its local Pilot Clubs are able to improve the lives of others through education, volunteerism, financial support and research.

Since its inception in 1977, the Pilot International Founders Fund has assisted local Pilot Clubs in their efforts to serve and meet the needs of others through an extensive grant program that has disbursed over \$1,300,000.

The Pilot International Founders Fund also provides scholarships that support graduate and undergraduate students working in fields related to Pilot International's main areas of service focus.

To accomplish its goals, the Pilot International Founders Fund relies on the generous support and contributions of the members and friends of Pilot International. In order to continue the outstanding work of the Pilot International Founders Fund and the local, community-based Pilot Club efforts it benefits, please consider making a donation. Contributing to the Pilot International Founders Fund is EASY, and it's tax-deductible!
