## From Our President

Hello Pilots,

Many talk about August being the last month of summer and to enjoy the remaining warm weather as we begin to prepare for fall. As Floridians we know that August is not the end of the heat but ushers in the school season. Take a moment to enjoy these last few slow days as we begin to ramp up into a busy volunteer season with our local scholarship house, adopted kindergartners through Classroom Connection, and all of the BrainMinders puppet shows and bicycle helmet fittings we will participate in. Thank you for your commitment to our club and the work we do within our community.

In Pilot Friendship,

*Mallory*

Classes start on August 26 for our colleges. Charlotte and I will be going to Gainesville August 9-11. If you have any items that the residents could use, we'd be happy to bring them to Gainesville. And if you have any items that you would like to donate to the residents of the LaVerne Weddle Pilot Scholarship House, contact Janene Anderson (Quincy) who will be able to assist you. Janene can be reached at (850) 627-8929 or [lodge44@tds.net](mailto:lodge44@tds.net)

## Club News

July 4th, Claire, Charlotte and Mallory volunteered at the Kiwanis Firecracker 5k and 1 Mile Sparkler Run. We worked registration and it was busy.

At our July meeting, Annette was presented with her photo book of her year as club president, 2023-2024.

We also presented BrainO at The Grove at Canopy and The Opal (previously Brookdale).
