## Message from our President

Hello Pilots! Here we are in June, which means this Pilot year officially ends on June 30<sup>th</sup>. We have been active and busy this year! We got ‘connected’ with Classroom Connection, our club agreed to apply and was selected to receive a \$20,000 Tallahassee-Leon (ARPA) grant. It has been exciting to see and work with our Anchor Clubs and we presented “The Sue McCreary Scholarship Award” in the amount of \$500 to Leon HS Anchor, Sophia Umana. BrainO has been played many times, pick-me-ups have been provided to deserving caretakers and to FSU PD, helmets have been fitted and given away, we did our patriotic duty with our essay contests and supported Honor Flight and our veterans and so much more – I can’t name it all!

On the district level, we had 4 club members with active roles supporting our very own Charlotte Edenfield, who has reigned as Florida District Governor and has done a remarkable job! Pilots, thank you all for your participation this year. Your care and support of each other and to this club is greatly appreciated.

In Pilot Friendship,

**Annette**

March 21st marks 100 days until the start of the 2022 Pilot International Convention! The Early Bird Convention Registration ends Thursday, March 31. Do not miss the opportunity to save \$25.

Pilot International Headquarters challenges Pilot members to help find 100 NEW donors by emailing or using social media to ask friends, colleagues, neighbors, families, and businesses to donate to Pilot.

Become a part of this historic initiative and assist Pilot International in reaching our Envision 100 initiative goal.

Together we will grant 100 Grants & Scholarships in the 2022-2023 Pilot Year by raising \$150,000.

PILOT INTERNATIONAL  
*Founders Fund*

The Challenge is still on to find 100 NEW donors by asking friends, colleagues, neighbors, families and businesses to donate to Pilot International. The goal is to raise \$150,000 for Grants and Scholarships.

## *Florida District*

The Parade of Banners was held at District Convention and Annette proudly carried our banner, representing our club. Clubs were called in chronological order. We are the 5th club chartered in Florida.

## *Pilot Scholarship House Foundation*

The Bucket Brigade Parade was held at District Convention. It was a great fundraiser for our Scholarship House Foundation. Between the parade monies and donations throughout the weekend, over \$53,000 was raised. Way to go, Pilots!

# Club Happenings

**BrainO at Tapestry Lakeshore.** The residents enjoyed the game and thanked us for being there, letting us know that they enjoyed it.

Chiles High School Anchor club members worked with us at **Honor Flight**. We were there from 5:00-7:45 a.m. to hand out our Guardian bags, help serve breakfast and send off the Veterans. Then we were back again at 7:00-10:30 p.m. to sell t-shirts and welcome the Veterans home.

**37th Annual Alzheimer's Disease Education & Training Conference:** Sharon, Annette, Claire, Charlotte, Lisa and Mallory volunteered at the conference, working at our table to let people know who we are and what we do. We also provided and served the continental breakfast to the attendees, sponsors and volunteers.

**BrainMinders at J. Michael Conley Elementary School.** The program was presented to all of the K-2nd graders at the school - a total of 360 students. We are doing our best to help children “play safe, play smart” and “protect their brains for life.”

**BrainO at Tapestry Walden** with Reis, the FSU nursing student who has helped us since November, with BrainO. We presented to the Memory Care unit and it was fun. One of the residents took the calling card from Reis and started reading it - surprising everyone.
