Message from our President

Hello Pilots and Happy March

Top O' the Day to You and March Greetings Pilots! Did you know that the colors that represent this month are also

the colors that represent Pilot International? Yes indeed! Green represents life and vigor and Gold represents the sincerity of purpose.

Cheers to Daylight Saving Time beginning on March 14th and the First Day of Spring is on the 20th!

May love and laughter light your days and warm your heart and home,

May good and faithful friends be yours wherever you may roam, May peace and plenty bless your world with joy that long endures,

May all life's passing seasons bring the best to you and yours.

In Pilot Friendship,

Annette

May your glass be ever full.

May the roof over your head be always strong.

And may you be in heaven half an hour before the devil knows you're dead.

~ Irish Blessing

Florida District

The Florida District Anchors, unfortunately, were not able to have their annual convention this year due to the pandemic. We took a survey and most of the clubs are not allowed to travel or go on any field trips. So, on March 6, the date of what would have been their convention, they will be having a Power Hour, starting at 1:00 p.m. This is what they will be discussing/doing:

- (1) Introduction of the Florida District Anchor board
- (2) Workshops, presented by a few of the clubs, stating how they have been able to continue through the pandemic, and what they have accomplished
- (3) Presentation of Awards
- (4) Guest speaker, Charlotte Edenfield, who will speak about the scholarship houses and what is available to the Anchors for scholarships
- (5) Videos of the three newly elected officers (elections will be held Feb 26-Mar 1, which is before the Power Hour on March 6)
- (6) Installation of 2021-2022 District Anchor board and

announcement of the 2022 Convention theme

- (7) A group Zoom picture
- (8) Lip Sync from a few of the clubs (theme Anchors Undercover)

The delegates have been sent the information that they will be voting on the proposed 2021-2022 budget, proposed Standing Rule amendment and for the 2021-2022 officers. They are voting electronically and the results will be tallied on March 2nd.

The District Officers have worked very hard this year, to continue to do what is best for the District Anchors.

How We Keep Busy

Pick Me Up made possible by a PIFF grant

Annette, Kristie, Claire and Wendy presented the four sensory room items to Jane Floyd-Bullen (principal) and Joy Delaney (Occupational Therapist) at the Gretchen Everhart School. We were fortunate to receive a matching grant of \$1,037 from Pilot International Founders Fund (PIFF) to help us with this project. The equipment will be used by all of the school's students to aid with core strengthening, vestibular stimulation and tactile stimulation.

Kristie - our Club Ambassador

Annette presented Kristie with her certificate and a yellow rose. Because we were together at Gretchen Everhart School, the presentation took place on their school grounds in front of their school mascot.
